Dear Karan Shanley and Participants of the International Mustang Meet,

Thank you for your hard work and effort in organizing a fundraising event in support of the Stollery Children's Hospital. Please accept our sincere appreciation for your generous donation of \$10,000 from the International Mustang Meet.

Your donation is an investment in the best people, programs, equipment and research to keep the Stollery among the best children's hospitals in the country. With your help, the Foundation is able to make sure the Stollery has what it needs to care for and treat the sickest kids with the most complex medical health problems from across Western Canada.

Your generosity has a lasting, positive impact on Stollery children and families. Together, we are transforming children's health care by making sure kids, no matter where they live, have access to some of the best care in the world, - kids like Porter.

To learn more about Porter and other kids in our backyard, please visit **stollerykids.com/inmybackyard**.

Included with this letter are recent examples of the impact of donor dollars. If you have any questions or would like to discuss the impact of your giving, please feel free to contact me directly.

Sincerely,

Joanna Begg Pattison, BA
Community Initiatives Advisor
Stollery Children's Hospital Foundation
